

Year One News

Welcome message

We hope you and your child have enjoyed the first week of Year 1 at Kingfisher. Moving year groups and having a new teacher is a big transition. They have settled well, and we are very happy to see their friendships forming already.

This newsletter will give you some key information about the term ahead.

We will be learning about friendship and working together as community as well as celebrating our similarities and differences. Our learning will be a mixture of small group work, paired and individual as well as teacher guided focus groups. Through continuous provision we will be able to practise our skills and apply them in different contexts to maximise our learning opportunities.

We look forward to getting to know you all better. If you have any questions regarding the information in this newsletter, or other more general queries, please don't hesitate to talk to us.

Thank you,

The Year 1 Team

Important updates

The car park gate will no longer be open in the mornings or afternoons. Please ensure that you have made safe arrangements to drop off and pick up your children.

Please remember school begins at 8.45am. This is when children begin their learning. Please be on time. The Year 2 hall door will then be shut and the playground gate locked at 8.55am. This is to safeguard all our children.

We are now a mobile free zone! From the start of term we would appreciate all phones to be switched off or put away on the playground. Please greet your child with a smile and not your phone!

We are aware that lots of children are still missing off the lunch list each day. If you are having any trouble with the school lunch app, please see the office for support.

- Participate in a whole school art project based on "The Dot" by Peter Reynolds.
- In DT, we will be learning to:
- Select and use appropriate tools to make hot air balloons or parachutes.

RE/ PSHE

In RE, we will be learning to:

- Explore what it means to belong to a faith community- Jewish focus.
- In PSHE, we will be learning to:
- Learn and discover what is the same and what is different about us.

Who do we share
the world with?

Literacy

We will be learning to:

- Use basic punctuation when writing sentences.
- Verbally construct and rehearse sentences.
- Identify, suggest and include different word classes in their sentences (e.g. nouns, adjectives, adverbs, and verbs).
- Sequencing sentences to form a narrative.

PE

We will be learning to:

- Explore basic movement skills. (e.g. running, jumping, hopping, skipping, throwing, catching and navigating space and obstacles successfully).
- Exploring expressive dance and movement to develop musicality and coordination.

Science

We will be learning to:

- Identify and name a variety of everyday materials.
- Describe simple physical properties of everyday materials.
- Discover what material an object is made from.
- Compare and group everyday materials based on their simple physical properties.

This term our enquiry question is:

Who do we share the world with?

Our value for the term is HOPE!

About Me

Hi! My name is Miss Baddeley and I am a Year 1 teacher. Our children are five and six years old.

I have been teaching for 5 years; in that time I have been lucky to teach year 3, year 6 and year 2. I love inspiring children and finding creative ways to foster their discovery.

Reading is something I value and encourage my pupils to find books that captivate them.

When I am not in school, I love exploring new places, baking cakes and playing netball.

A bit about me!

Favourite colour: purple

Favourite animal: dog

Favourite drink: coffee

Favourite subject: Science

Our Class Author

All our classes at Kingfisher CE Academy are named after authors. My class is named after Rachel Bright. She has written many children's books and is a wordsmith, illustrator and professional thinker of happy thoughts.

Our class novel is called 'The koala who could'. It is a funny rhyming story about dealing with change and overcoming worries.

I have sent a copy to share with you. I hope you enjoy reading it!

Our team

There are lots of people who are part of our extended Kingfisher family. You and your children may see them around the campus.

Reading

We are committed as a school to ensuring all children develop the skills they need to read independently and have access to life long learning. Our team believe in ensuring all children find themselves represented in books. We aim to expose our children to high quality, award winning and diverse literature.

Book change days

Please ensure both books are in your child's book bags for **Monday** to be collected in. We have Book Club every **Monday** where we share our books, discuss what we liked about them and recommend to each other. We then come home with a new one! Your child's new phonics book will be sent home on a **Thursday** after they have read it three times in class.

Books for the term

This term our focus books will be...
The Koala Who Could - Rachel Bright
The Very Last Leaf - Stef Wade
Neil Armstrong - Maria Vegara
Martha Maps it Out - Leigh Hodgkinson
The Dot - Peter Reynolds

How you can help at home

Share books that your children bring home from school. Read any books you have at home. Read recipes, magazines, print in the environment. Let your children see you reading!

Phonics

We will be learning phonics using Little Wandle which is the phonics and reading scheme at Kingfisher. Children will learn a new phoneme each day and begin to blend them to read and use them to write. Come along to the phonics workshop on Wednesday 27th September 2023 to find out more.

Phonics vs sharing books

Your child will bring home a book for pleasure on a **Monday** which you can share together. They will also bring home a book matched to their phonics ability on a **Thursday**. Your child will bring home a book for pleasure on a Monday which you can share together. They are not supposed to be able to read this! They will also bring home a book matched to their phonics ability on a Thursday. They will have read this in Reading Practice groups at school so should be able to read it fairly fluently - this is a great opportunity for them to show you their progress. There are questions in the back of the book that you can discuss with them too.

How you can help at home

Each week we will share a recap of the learning we have covered in phonics. You can work on these at home with your child. This will be explained in more detail at the workshop.

Little Wandle - Letters and Sounds
Reception Phonics Home Learning

Phase 2 - Autumn 1 Week 1
Focus - Phonemes s / o / t / i

Please support your child to practise and reinforce the phonemes and graphemes we are learning in school. More information and support can be found on the Little Wandle website - <https://www.littlewandle.com/parents/parents-ask-questions/>

Phonemes we will be focusing on this week in school -

s Phonation Phase - s Show your teeth and let the s float out like...	a Phonation Phase - a Open your mouth wide and make the a sound on the back of your mouth...
t Phonation Phase - t Open your lips, put the tip of your tongue behind your teeth and press t t t	p Phonation Phase - p Bring your lips together, push them open and say p p p

We will be orally blending words. Can you hear the phonemes in these words? Can you listen and then repeat the word?

s - a - t t - a - p s - a - p
p - a - t a - t

What you will need...

P.E.

PE will be on a **Tuesday and Thursday**. Please send your child to school with their PE kit on. Please remember our PE uniform is a white polo shirt, navy/black shorts or trousers and plain trainers or daps. They will be in this all day, so please ensure it is weather appropriate.

Outdoor learning

We will be doing regular outdoor learning and Welly Walks. Please can all children have a pair of named wellies in school for these.

We also go outside in all weathers. Children will need waterproof coats and appropriate weather gear for the season.

PLEASE LABEL EVERYTHING!

Christian Authenticity

In Collective Worship...

This term our value is hope. We will be focussing on stories from the Bible that reflect this.

Child of Hope

Owen went to visit our Kingfisher family at the Child of Hope school in Uganda. Each class wrote letters to the children in their matching age class. We sent them a book of our class author, lots of reading books and our class photo. Jack the puppet also went on the adventure! The children loved the reading books and got stuck in straight away. Owen brought back handmade items from the children of Uganda. We were amazed to learn they were made from banana fibres! We also saw photos of them and they wrote back to us!

Festivals

Later in the term we will be celebrating the festival of Harvest. We will be holding a whole school Harvest Festival Assembly on Wednesday 18th October 2023. Please come along to support and celebrate with us!

Term dates

Friends of Wichelstowe Trinity

Learning Campus

We wanted to let you know more about the Friends of Wichelstowe Trinity Learning Campus, and the events that we are planning for this academic year.

We raised over £2500 last year and we have great plans for future events. We would also like to invite you all to join us for a drink and a chat at school to discuss what you can do to assist the friends by way of volunteering, sponsorship, support, corporate sponsorship, social media, marketing etc. Drop-in sessions will be held in the first few weeks of September, so look out for more information.

This year, we hope to host more discos, as well as ice cream sales, cake sales and second-hand uniform sales. Our big events for the Autumn will be the Family Fireworks Extravaganza, another quiz night, fayre and more.

Whilst all of these are very exciting and we would hope that at least one of the events would be of interest to most families, there is an obvious need for volunteers to enable any of these to run safely. Kingfisher are looking to the friends for support in purchasing items that will benefit our pupils, and it would be great if we were able to fund these from events and fundraising.
