Kingfisher curriculum trip

Dear parents and carers,

We are excited to announce we have booked our Year 1 and Year 2 curriculum trip to **The Living Rainforest on Tuesday 7th July 2026**. This is to consolidate our learning about plants and adaptations this year. We will be travelling by coach, departing at **9am sharp** and arriving back **by 3pm** traffic permitting.

To cover the cost of travel, entry to the Living Rainforest as well as an educational guided tour there, we ask for a payment of **£22.30**. Please can this be paid via the ParentPay app. Unfortunately, if we do not receive sufficient contributions to cover expenses, we will have to cancel the trip.

Clothing

Children can wear their own clothes with their school cardigan or jumper on top. Please ensure that clothing and footwear is weather and activity appropriate e.g., comfortable shoes. The living rainforest is made up of greenhouses so please bare this in mind.

Lunch

Please can everybody order a sandwich for this day via the app. **Please indicate on ParentPay if you are ordering a packed lunch from school or will be supplying your own.** Children must bring their labelled water bottle as well (no fizzy or milk-based drinks please). Please ensure your child has a named backpack to carry this around with them.

Medication

If your child suffers from travel sickness, please give them the appropriate medication before coming to school and let staff know. A signed medicine form is required if you wish your child to have medication on the return journey. We will be taking all other medication (e.g., inhalers) with us on the trip.

Thank you for your continued support,
The Kingfisher Team
