Some building works at Kingfisher CE Academy

Dear Parents and Carers,

We would like to share that some building works will be taking place during Term 6 and continuing into the summer holidays as part of our ongoing development.

These works will begin from **Tuesday 2nd June 2026** and have been very carefully planned to ensure **minimal impact on the children's daily experience in school**, while maintaining the highest standards of safety for our whole community.

During this period, we kindly remind all parents and carers that children should be supervised at all times before and after school, particularly as some areas of the site may change slightly.

We are excited about these improvements, which will further support our commitment to inclusion and ensure the very best environment for all children at Kingfisher.

Thank you, as always, for your continued understanding, support, and cooperation.

Ms Bishop and the Kingfisher Team
