

Year 3 & 4- Homework Activities

Choose 1 activity to complete each week. These activities are optional but it would be great to share some of their home learning at the end of the term.

This term's value: All

- Name 3 things you hope to achieve by Year 4/5.
- think back to all you have learnt this year - what was your favourite (wisdom).
- Draw an image of a time you've been resilient..

Reading & Writing	We are Authors!	Write a diary entry in role as Howard Carter describing what he saw when he entered Tutankhamun's tomb for the first time.	Write a poem which celebrates someone who has shown resilience.
Communication and Language	We are Linguists & Communicators!	Draw a picture of yourself and write words to describe yourself in French all around!	Perform your poem (mentioned above) to someone. Focus on adding expression!
Maths	We are Mathematicians!	Find containers which hold different masses and capacities (look in your cupboards!). Can you compare them using $<$, $>$ or $=$?	Times Table homework (weekly)
Understanding the world (Geography & History)	We are Historians & Geographers!	Write your own hieroglyphics like an Egyptian!	Create a fact file about a Greek myth.
Expressive arts and design (Art & Music)	We are Artists & Musicians!	Practice layering prints with 2 printing blocks.	Can you remember which finger matches to what colour on the violin? Draw a picture so you don't forget!
STEM (Science & DT)	We are Scientists & Engineers!	Y3 - Film a video explaining the muscles in your body. Y4 - Run an experiment to test when water can change states.	With an adult, practice making a Greek salad.
Living in the wider world (RE & PSHE)	We are Citizens and Theologians!	Visit a local religious building.	Y3 - Notice any risks you may have in your home. What should you do? Y4 - Write any questions you have down to ask during learning.
